

# DIAMOND MASK SEWING PATTERN

TO MAKE YOUR MASK YOU WILL NEED TO  
CUT THREE PATTERNS PLACED ALONG A FOLD

**OUTSIDE LAYER:** STURDY FABRIC: A REUSABLE SHOPPING BAG OR TEA TOWEL

**MIDDLE LAYER:** CALICO OR AN OLD SHIRT / BEDSHEET

**FACE LAYER:** SOMETHING SOFT: AN OLD T-SHIRT OR PILLOW CASE

# INSTRUCTIONS

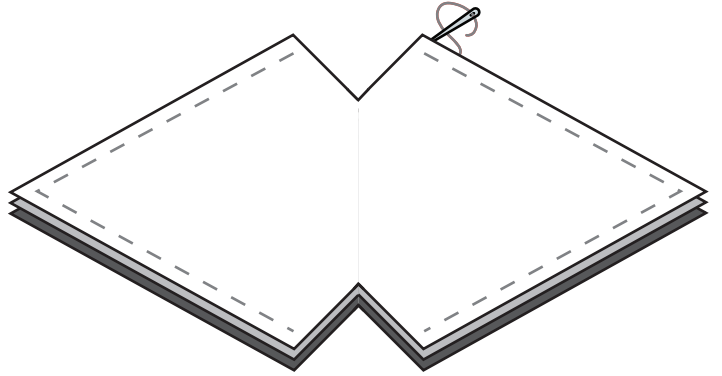

CUT THREE DIAMOND PATTERNS WITH THE TOP EDGE ALONG THE FOLD

ARRANGE IN ORDER:

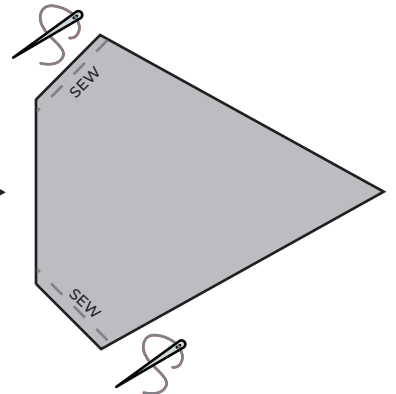

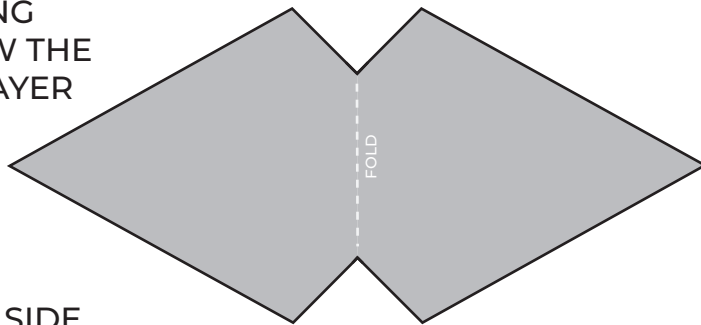

- MIDDLE LAYER
- ◐ FACE SIDE
- OUTER SIDE

SEW EACH LONG EDGE LEAVING THE SMALLER EDGES FOR NOW.

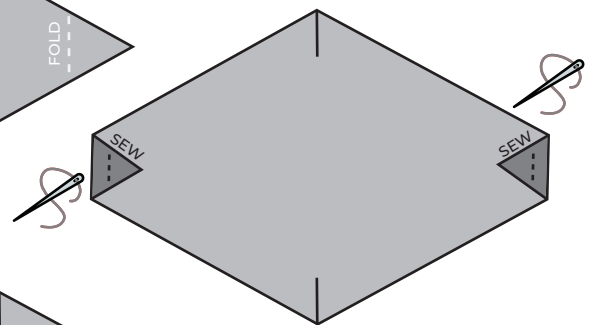

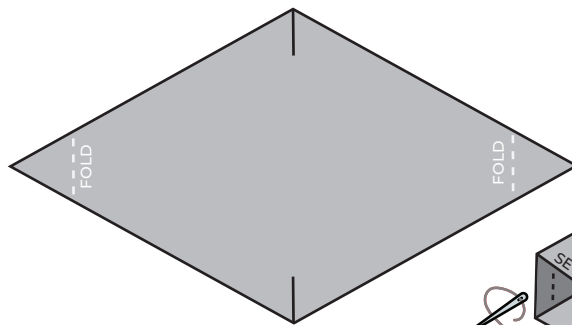

TURN INSIDE OUT USING OPEN SEAMS TO SHOW THE **FACE** AND **OUTSIDE** LAYER (THE MIDDLE LAYER SHOULD BE HIDDEN)

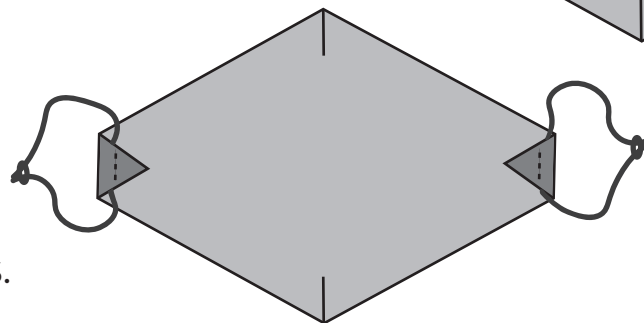

FOLD OUTSIDE LAYER TOGETHER. SEW FACE SIDE ALONG SHORT EDGES

PUSH OUT THE FOLD. PLACE FABRIC WITH **OUTSIDE** LAYER AGAINST YOUR SURFACE.

FOLD IN LEFT AND RIGHT POINTS INTO TABS ~2.5CM AND BACKSTITCH A FEW TIMES. YOU WANT THIS TO BE STURDY!

FINALLY THREAD STRING OR ELASTIC THROUGH THE TABS TO MAKE LOOPS FOR YOUR EARS.
